Westmont, Illinois – The Westmont Chamber of Commerce and Tourism Bureau (WCCTB) and the Village of Westmont would like to wish a warm welcome to Geode Health opening a new location in Westmont at 6319 S. Fairview Avenue, Suite 102.

Members of the Westmont business community and elected officials gathered at 6319 S. Fairview Ave., Suite 102, Westmont, for a Ribbon Cutting celebration on Tuesday, July 12, 2022 at 4pm.

Geode Health is focused on providing access by offering in-person or virtual visits with a local mental health provider within a few days. Focused on making care more affordable as we add in-network insurance plans. Focused on offering effective treatment plans that are always science-based and medically proven.

Geode Health, based in the Chicago area, was founded on the principle that mental healthcare should be accessible, affordable, and effective. Geode Health has brought together some of the most successful, innovative healthcare leaders to drive the transformation of mental healthcare in America. They also partner with some of the best mental health care providers – psychiatrists, nurse practitioners, physician assistants, psychologists and therapists – to bring their vision to life.
